E Strip

1.03.0001

Exitex Self Adhesive 'E' Strip is perfect for all types of hinged doors and windows. This product is a self-adhesive EPDM rubber seal with a non-stretch backing tape that can be bonded to any clean, dry surface. It is easily compressed and can seal gaps ranging from 2mm to 3.5mm, providing an effective draught seal. With its simple and effective design, this product is perfect for anyone looking to improve the insulation and energy efficiency of their home or workplace.

- Self adhesive **EPDM rubber**
- Seals gaps **2 - 4mm**
- Available in **white & brown**
- Packed in **5m** display pack or **100m** reel

Color available

P Strip

1.03.0002

The Exitex Self Adhesive 'P' Strip is a versatile and practical solution suitable for all types of hinged doors and windows. Its high-quality EPDM rubber seal is complemented by a non-stretch backing tape, allowing for easy bonding to any clean, dry surface. The strip is expertly designed to be easily compressed, so you can be confident in its ability to provide a secure and reliable seal. With a capacity to seal gaps of up to 5mm, this product is an effective and efficient way to reduce draughts and improve insulation.

- Self adhesive **EPDM rubber**
- Seals gaps **2 - 5mm**
- Available in **white, brown & black**
- Packed in **5m** display pack or **100m** reel
